

UC3M4Safety BBDD_lab

EULA (End User License Agreement)

By signing this document, the user, he or she who will make use of the dataset, agrees to the following terms.

1. Commercial use

The user may only use the dataset for academic research. The user may not use the database for any commercial purposes. Commercial purposes include, but are not limited to:

- training or proving the efficiency of commercial systems,
- using screenshots of subjects from the database in advertisements,
- selling data from the database,
- creating military applications

2. Distribution

The user may not distribute the dataset or portions thereof in any way, with the exception of using small portions of data for the exclusive purpose of clarifying academic publications or presentations. **Only data from participants who gave consent to have their physiological or audio recordings used in publications and presentations may be used for this purpose.** Consent information for each participant is included in the *participant questionnaire* file. Note that publications will have to comply with the terms stated in article 4.

3. Access

The user may only use the dataset after this EULA has been signed and returned to the dataset administrators. The user must print and sign the EULA, then scan it and send it by email (preferable in pdf format). Please send the scanned EULA to **uc3m4safety@uc3m.es**. Upon receipt of the EULA, a password to access the dataset will be issued. The user may not grant anyone access to the database by giving out that password.

4. Publications

Publications include not only papers, but also presentations for conferences or educational purposes.

All documents and papers that report on research that uses the UC3M4Safety BBDD_lab dataset will acknowledge this by citing the following link in eCienciaDatos: <https://edatos.consorcioadrono.es/dataverse/empatia?q=&types=datasets&sort=dateSort&order=desc&page=1> and the research papers in production, when already published.

5. Changes

The UC3M4Safety BBDD_lab dataset administrators reserve the right to change this EULA at any time; users will be informed about changes beforehand and given the choice to opt out of the new EULA. Opting out will render the previous EULA void (and thus the user will lose their right to use the dataset).

6. Warranty

The dataset comes without any warranty, the UC3M4Safety BBDD_lab dataset administrators cannot be held accountable for any damage (physical, financial or otherwise) caused by the use of the database.
